When Ollie starts at a new school, she doesn't worry about making a good impression because she knows that when her family inevitably moves again, she'll get a fresh start somewhere else. A complete reset. It doesn't matter if her classmates think she's weird for pretending that she lives in the world of an imagined anime, or if she makes an enemy out of the most popular girl in her class, or if she just does something hugely embarrassing! And it definitely doesn't matter that all her mom wants is for Ollie to be more of a proper Thai daughter.

But after moving from Germany to Virginia and having a mortifying first day at her new school, Ollie is shocked to learn that her parents are going to buy a house so that Ollie and her sister, Cat, can finish grade school in one place. Ca...
