

# Build an Indie Future with ABA

## ABACUS

**Report your financials** for ABA's annual industry benchmarking report to find ways to improve your profitability and help ABA advocate for your store. (Next survey begins June 2024.)

## Batch

**Sign up** for Batch to streamline your accounts payables with publishers. The more booksellers who sign up, the more publishers who will sign up! (It's universally adopted by publishers and booksellers in the UK!)

## Make your Sales Count

**Report your sales** to Bookscan so publishers and authors know the true value of the indie channel!

## TAKE ACTION.

Help build the future for independent bookstores.
